STUDENT LIFE

Fix-it man.

Now, what do I do with this?

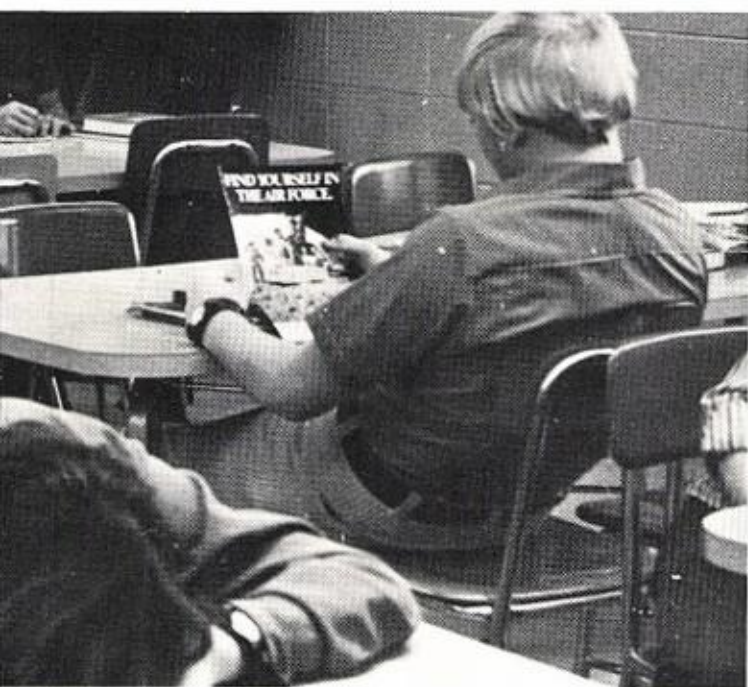

Oh Harold

We love to play our tubas!

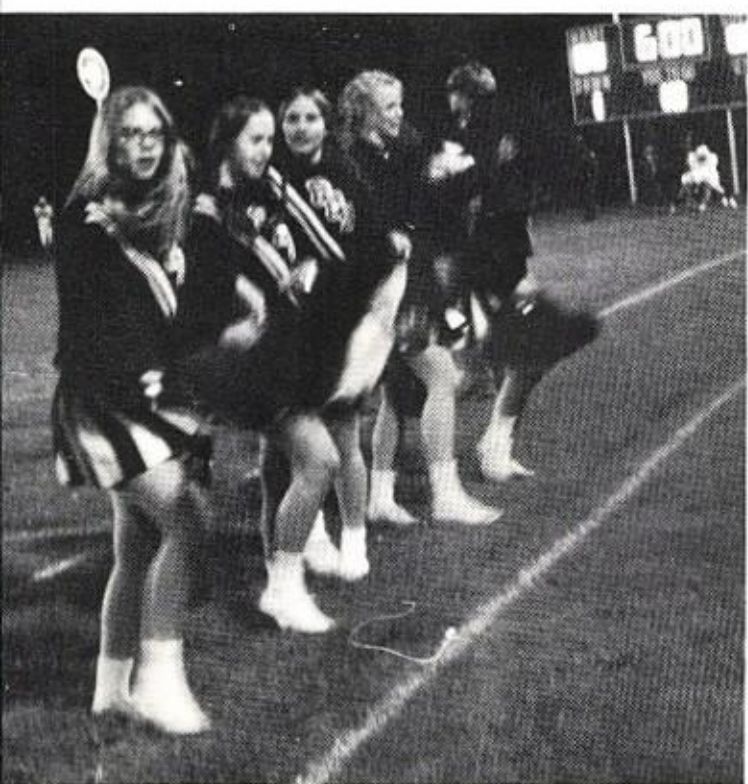

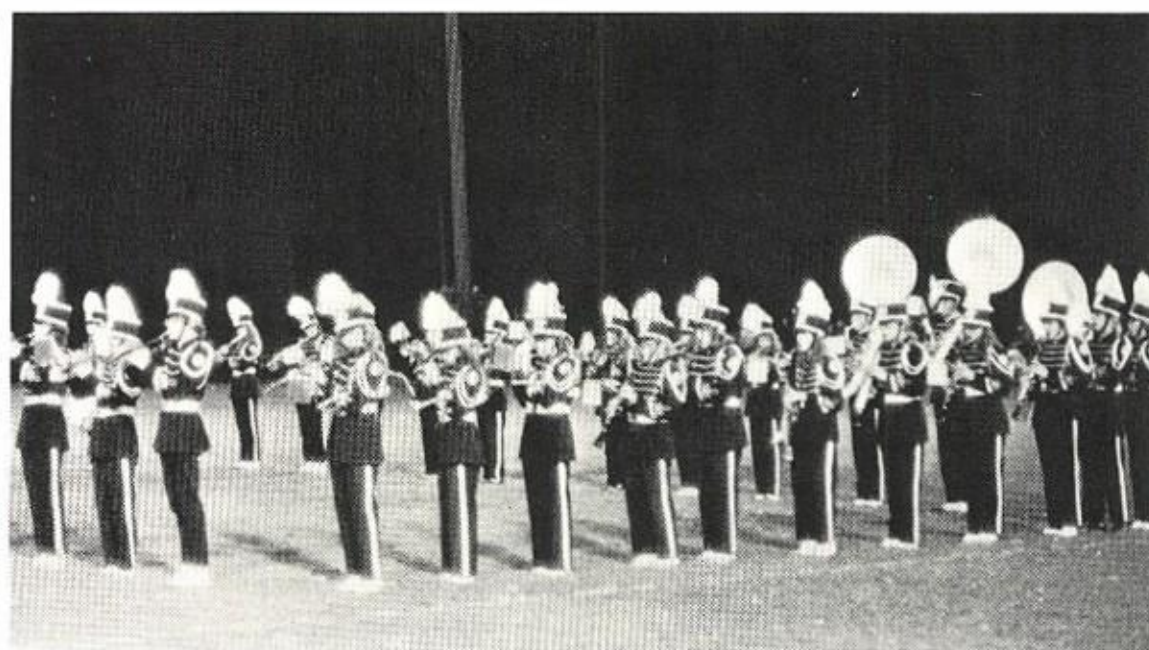

That's a good bedtime story.

Come and get it!

Get in line Peppy!

Let us entertain you.

Love Story

B. Jensen, G. Clausier, B. Bruce, R. Board, S. Zir, K. Olson, B. Collins, D. Houzner, J. Chambliss, K. Pisha, G. Masters, D. Rai-

My girdle's killing me!

Where do I begin to tell the story
Of how great a love can be,
The sweet love story
That is older than the sea,
The simple truth about
The love she brings to me?
Where do I start?

On May eighth, nineteen hundred and seventy-one, the class of seventy-two presented "Love Story." The gym was decorated in dark green, mint, and silver, with a swing in a rock garden. The court was presented to the audience by coming through a large silver book opened by Richard Houzner and Kevin Miller. The court carried bouquets of daisies of various colors. The grand march was at 11:00 p.m. Tom Lee and his Orchestra provided the music.

Now when I remember spring;
All the joy that love can bring,
I will be remembering . . .

COLOUR MY WORLD

The 1971 Homecoming festivities began on Thursday night, October 14. King Randy Board crowned Sherri Zirk queen. Together they lit the bonfire as the pep band played the theme, "Colour My World." A large crowd was in attendance to hear the speakers and enjoy the skits presented by classes and clubs. Our Homecoming Parade was held Friday afternoon. Six floats were entered and the Junior and Senior bands played. The game that night with Westby ended with a disappointing loss of 22-0. Saturday was the dance in the gym. After the dance, the couples went their separate ways to enjoy the remainder of the evening.

The musical stage play, "Paint Your Wagon," took place during the late 19th century gold rush. It centers around a man named Ben Rumson, who has such a case of "gold fever" that nothing can keep him from following the news of the discovery of gold. The only other interest Ben has is his daughter, Jennifer. He endeavors to do great thing, only to realize that what Jennifer really wants is love, security, and a home.

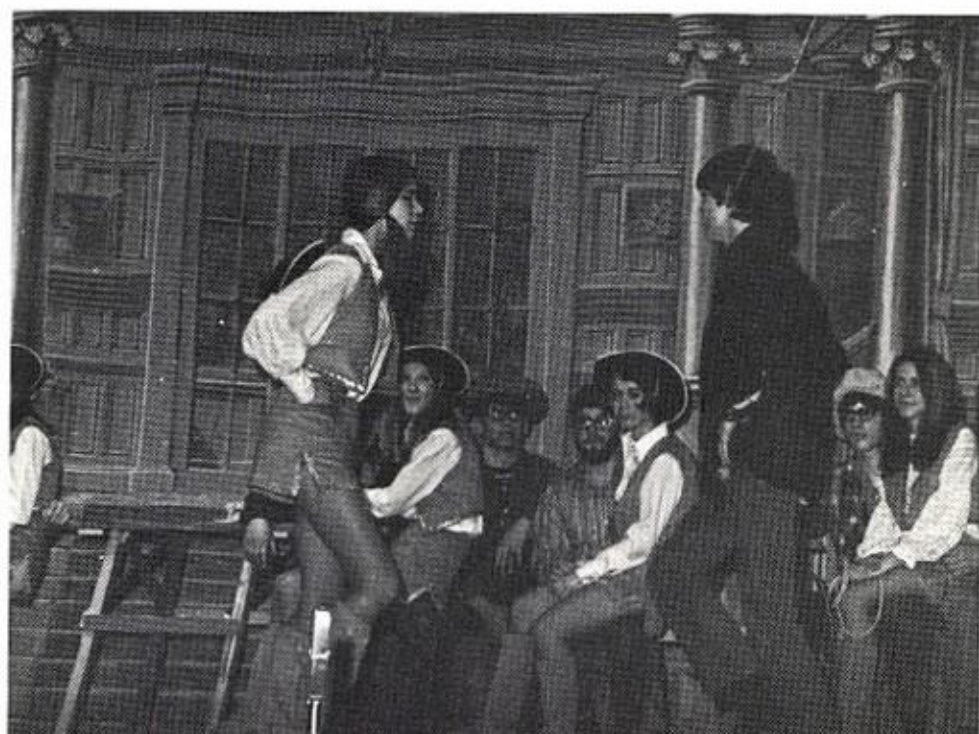

Is it love?

ORGANIZATIONS

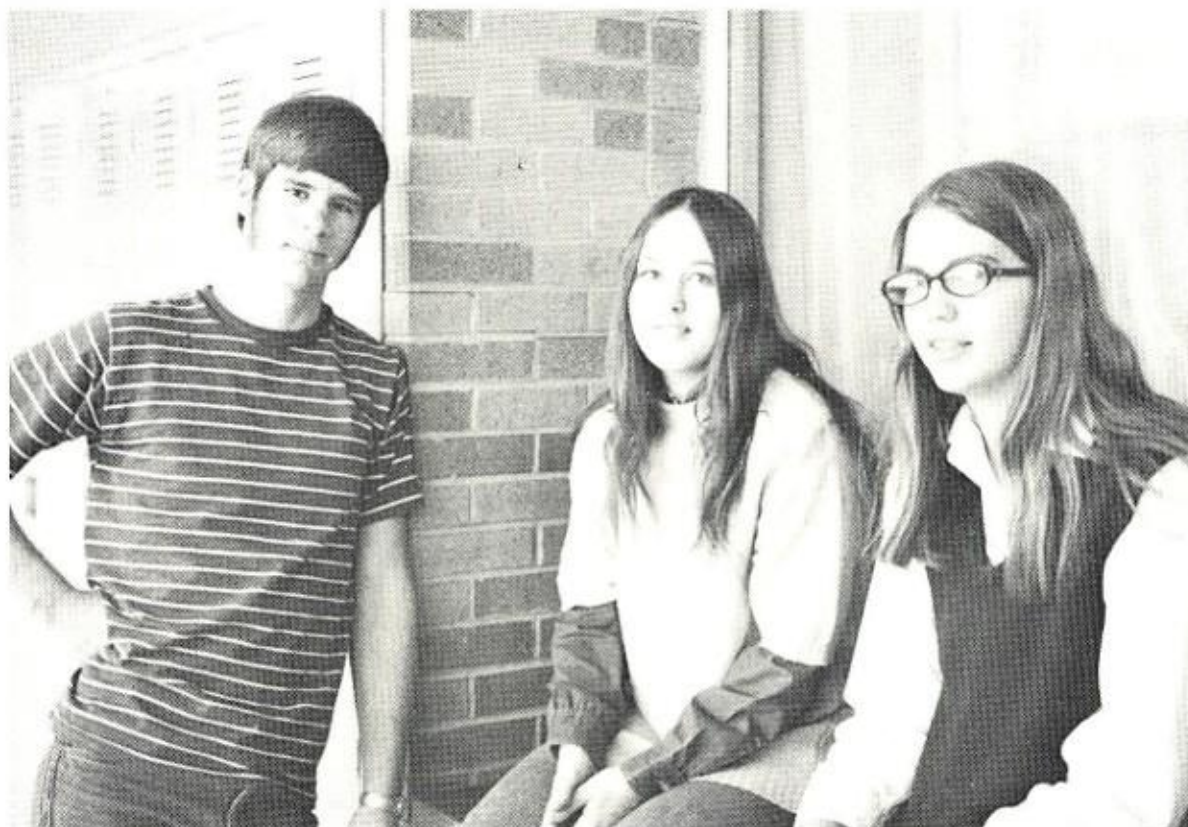

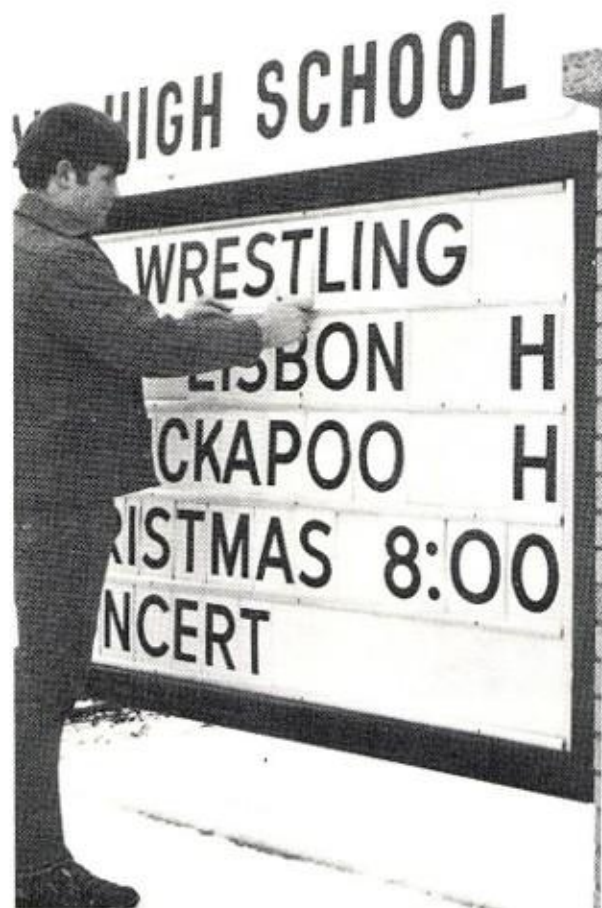

STUDENT COUNCIL

The Student Council has made a special effort toward unity between the faculty and the students. By working with both they hope to make Royall more efficient and favorable to everyone. The representatives to the Student Council are elected by their classes. The president is elected by the entire student body.

The Student Council organized the 1971-72 Homecoming schedule as well as designing and decorating the queen's float for the parade.

HQB

Early in the school year, five students were selected to represent Royall High School in the High Quiz Bowl, which was held at LaCrosse. The four students and one alternate were tested on their quick, correct responses to high school questions. Our team competed against the tough LaCrosse central team. If only Royall's team hadn't been so camera shy, we might have done better during the contest.

NHS

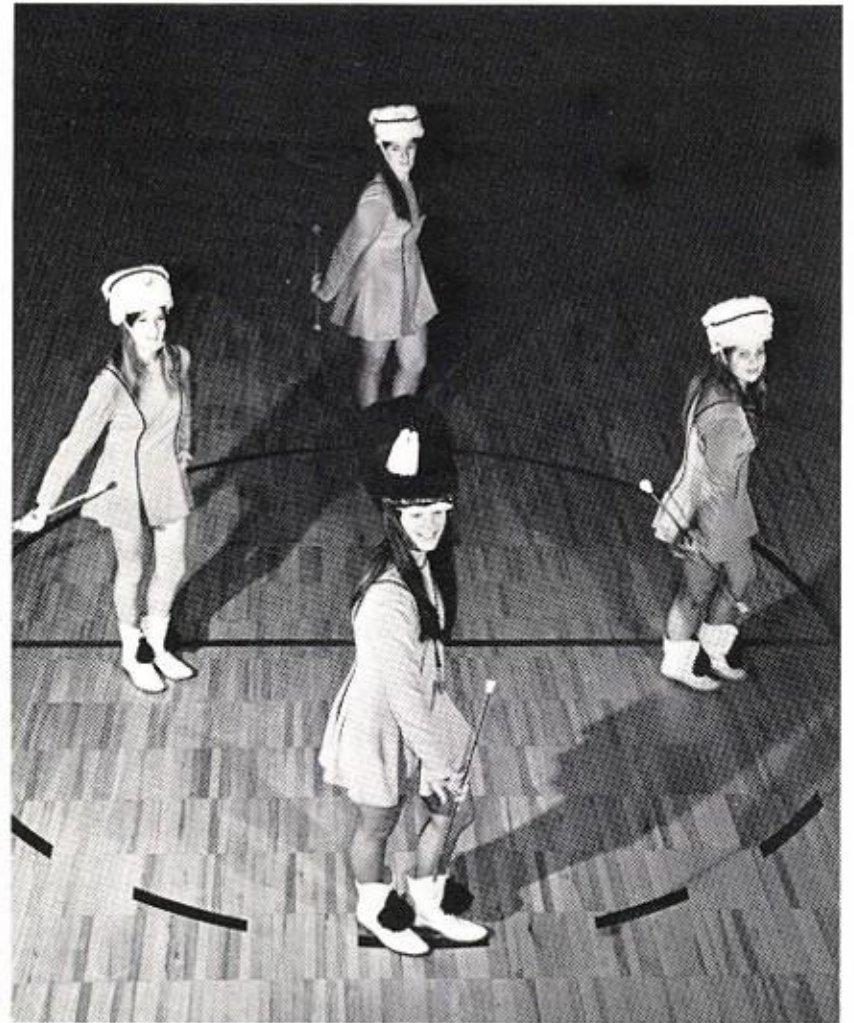

The National Honor Society is the only organization at Royall whose members are selected by their peers. To be eligible for the society, a student must acquire and keep a B + average. Initiation ceremonies are held each year for the new members elected to NHS. They receive certificates of membership and cards emblematic of the NHS.

Speakers are chosen for this occasion to speak on leadership, scholarship, character, and service. After the ceremony refreshments are furnished for the members, parents, and relatives.

When band is mentioned, we generally think of the concert band. The Royall High School Band is not only a concert band, but much more.

We have a first-rate marching band. They gave a pre-game show and a half-time show for all of our home football games. The Royall Band marches for various contests and celebrations. At the Viroqua Horse and Colt Show, they competed with ten other bands and won first prize.

The Pep Club plays at all home basketball games and everyone seems to enjoy the contemporary numbers they render.

The band will play as a Class A concert and marching band at the Spring Festival, which will be held in New Lisbon.

WE'D LIKE TO TEACH THE WORLD TO SING

Chorus is a big word here at Royall. There are 84 students who are involved in the vocal music department.

Sophmores, Juniors, and Seniors make up the A Cappella Choir. They gave four concerts during the year: the pops concert, the Christmas concert, Handel's Messiah, and the Spring concert. They sing as a Class A chorus at the annual Spring Festival.

The J.V. Singers are Freshmen. They also take part in the pops concert, the Christmas concert, and the Spring concert.

Royallettes is a select group of girls. Each of the singers is a member of her class triple trio.

A new addition to the vocal department this year is the Swing Choir. These 22 students sing popular music, and are often accompanied by drums, guitar, and piano.

PEP CLUB INSPIRES

The Pep Club cooperates with the varsity, junior varsity, and wrestling cheerleaders in helping to raise Royall's school spirit. The members encourage students to support their team by cheering at games and pep rallies. They also help the cheerleaders by painting signs and preparing skits for the pep sessions.

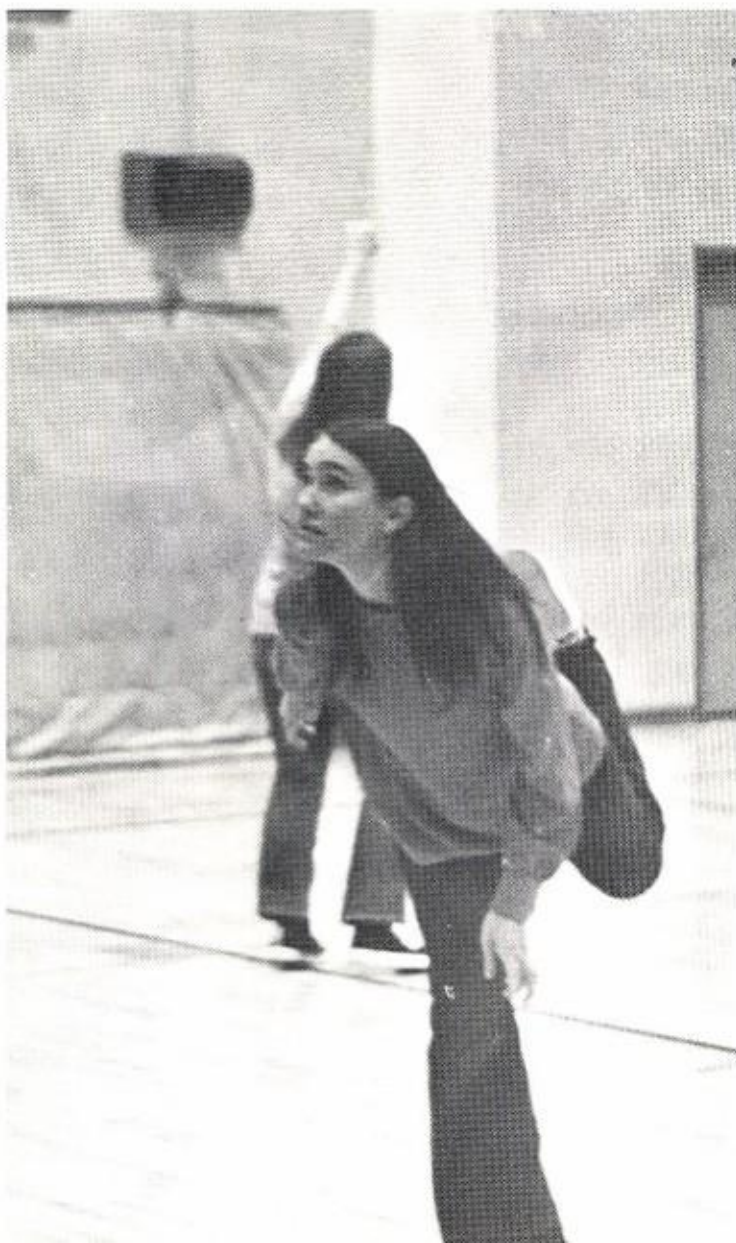

GIRLS IN ACTION

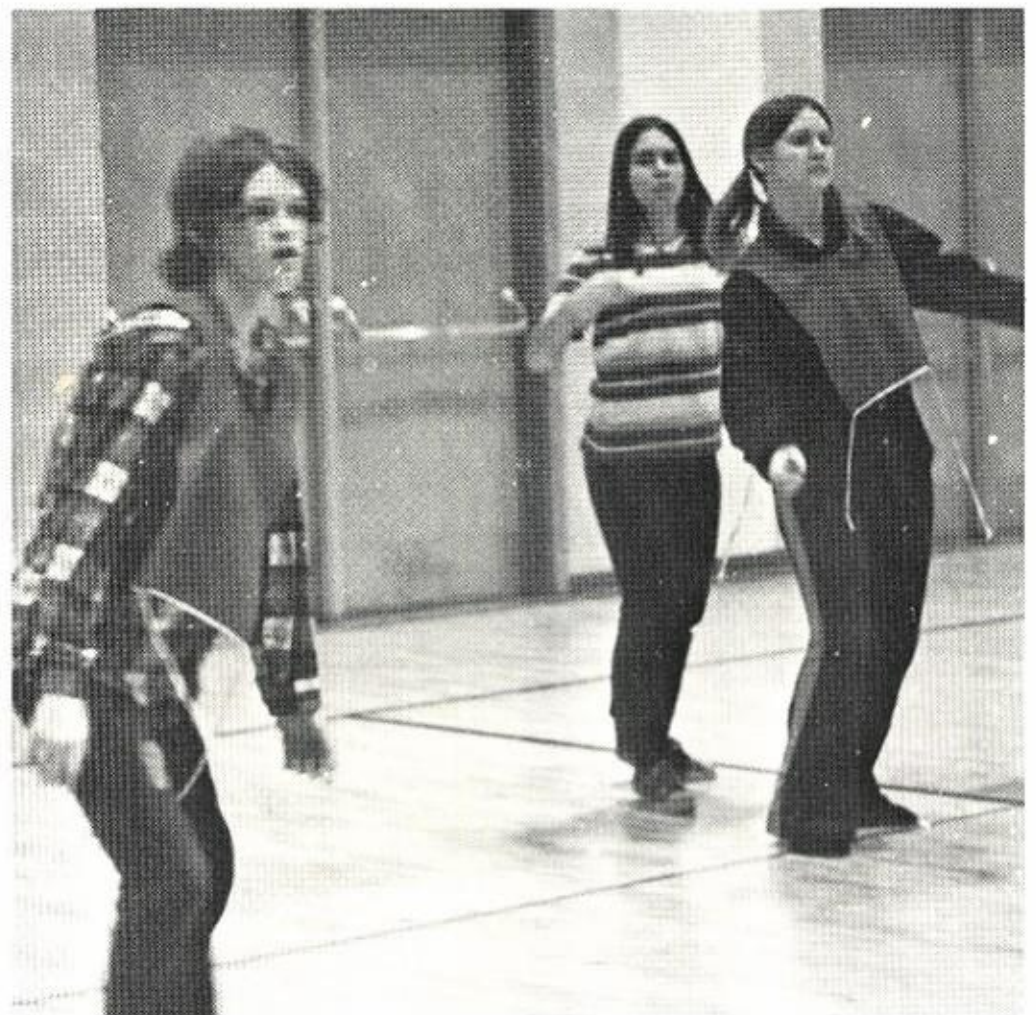

Although the Girls Athletic Association of Royall may be a "fun club", its purpose is to encourage participation in sports and to promote fair play and good sportsmanship among all girls. The girls meet once a week to develop their skill in such sports as football, volleyball, basketball, tumbling, apparatus, badminton, and softball.

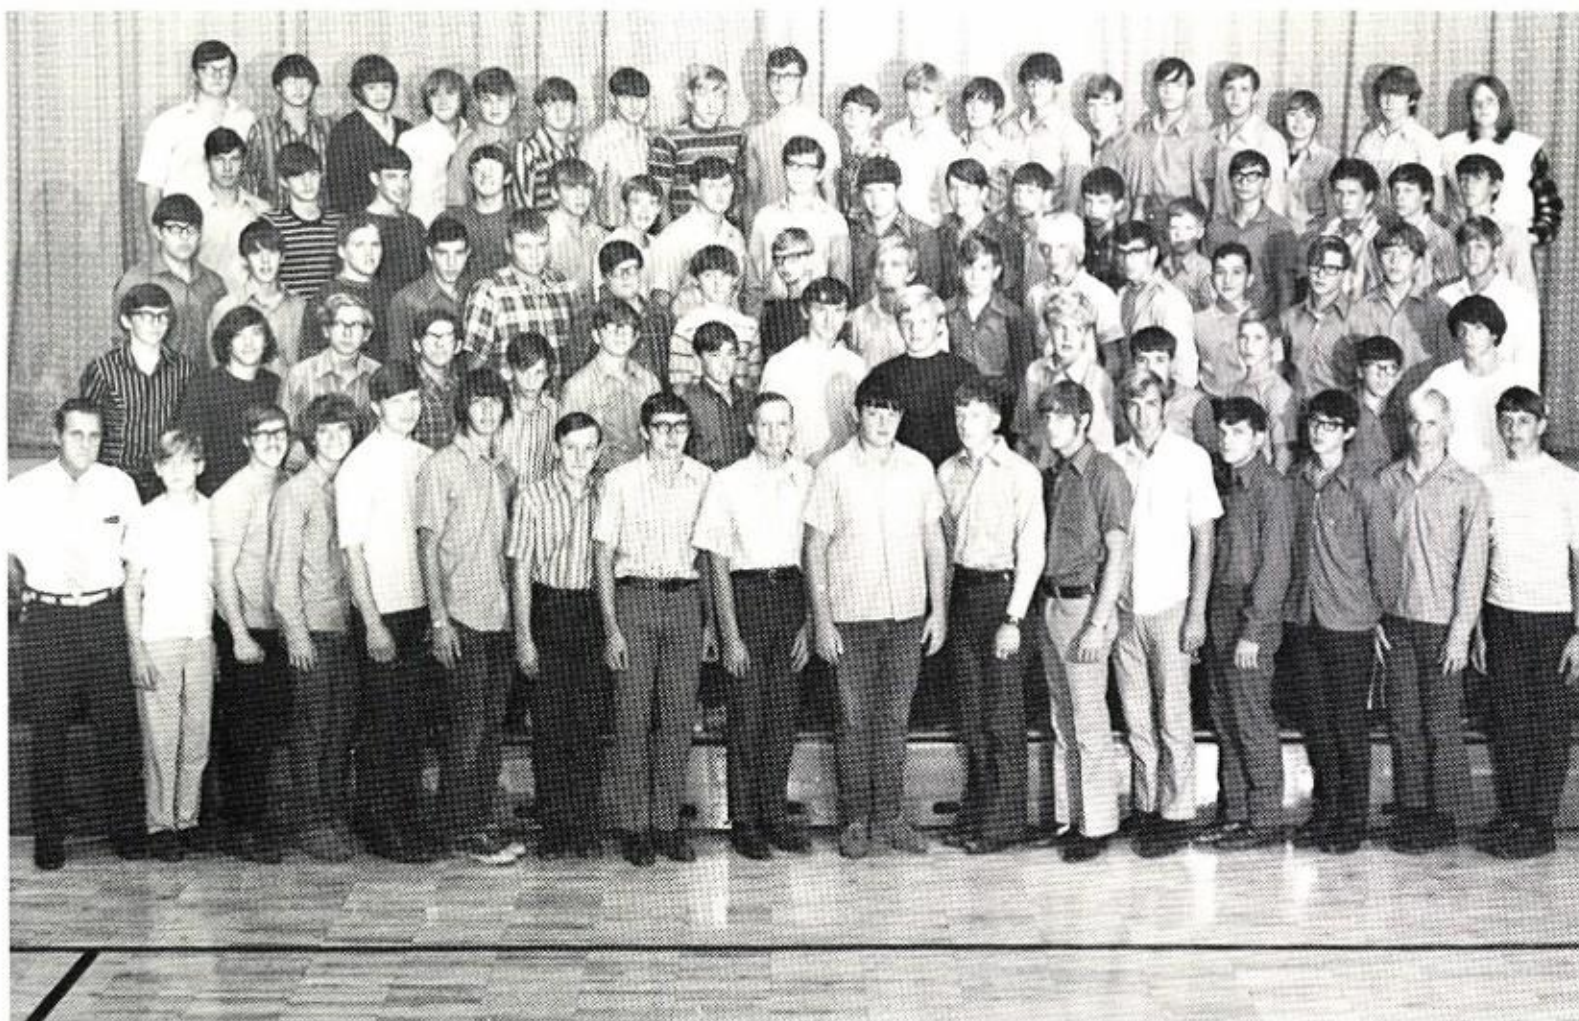

In Spring they meet with various schools in the area to compete in track and field. At the end of the track season the girls compete in the state track meet. The best athletes receive awards and letters at the end of the year.

BUSY YEAR FOR FFA

FFA is an organization for young men interested in studying about wildlife, forestry, Ag-production, live-stock, crops, and horticulture. This year our soil-judging team won fourth place in state competition and will compete on Oklahoma in national competition in the Spring. At the end of the year, the FFA Banquet is held. At this banquet awards are given to the members for their fair entries, Ag grades, and corn production.

FUTURE HOMEMAKERS

New members of FHA were initiated into the organization at the annual fall slumber party. This year the girls played games and watched a horror movie. (The movie must have really been a shocker because the girls didn't get to sleep till 5:00 a.m.) Royall's FHA takes part in the district Fall Rally in which several other chapters attend. Each year Royall sends four delegates to the FHA State Convention in hopes that they will return with new ideas for our chapter. The FHA organizes the Winter Carnival Week with the big event a dance on Saturday evening.

SPEAKERS SPEAK OUT

Members of Forensics compete at local, district, regional, and state levels. They may enter in interpretative prose or poetry, four minute speaking, original oratory, significant speeches, memorized declamation, and public address. In the fall we at Royall were very proud to have our one-act play, "A Thing of Beauty," go to the state contest.

DEDICATED DEBATERS

This year the topic for the Debate Club is, "Resolve: that the jury system in the United States should be significantly changed." Since the club is so small, they decided to debate among themselves instead of competing with other schools. Contrary to some people's beliefs, debating is not simply arguing. It is, instead, doing research to find evidence to support your opinions and being able to express them.

LIBRARY A SCHOOL FUNCTION

The Library Club provides its members a chance to serve their fellow students and to assist them in using library materials. The club meets once a month to discuss current problems and to plan activities, such as an annual cake sale and a winter recreational trip. In the spring the club goes on a trip to a library — either public or school — to observe the various ways a library functions for the community it serves.

EXPERIENCE THROUGH EXPERIMENTS

Although we have no Einsteins in Royall, we have an active group of students interested in science. Anyone taking a science course can join this organization. They hold meetings during the weekly activity periods. Late in the fall they traveled to Chicago to visit the Museum of Science and Industry. They are hoping to take another trip this spring.

“R” MEN

The Lettermen's Club is composed of all athletes who have received their letter in any athletic event. Their purposes are centered around promoting athletics and developing leadership and responsibility among its members. Each year the “R” men sell candy, and it was through their efforts that Royall was able to purchase the scoreboard for football games at the Elroy park.

The highlight of the year is the Annual Athletic Banquet. At this time all Royall athletes are honored for their recognition of individual sporting events.

EFFICIENCY EXPERTS

If something needs to be done, just call on the usherettes! Rarely does an event happen that the usherettes aren't present. The girls host parent's night during football season, hand out programs at home games and concerts, sponsor a coat check for basketball season, assist parents at P-T conferences, usher at graduation, and other services. Royall is very proud to have usherettes like these.

CREATIVE ARTISTS

This is the first year that Royall has had an Art Club. The organization is for all students interested in any type of art. This year the club sponsored an art contest in which any student or teacher at Royall could enter his work with only a small entry fee. Prizes were awarded to the best entries. First prizes were won by Jaleata Nietzel and Mr. DeLong.

In the Spring they have an Art Fair in which the best work of the art students is exhibited for the public's enjoyment.

CLUB DE LENGUA

This is the first year that Royall has had a Foreign Language Club. It is for all students that have taken or are taking German or Spanish. On December sixth the club plans to attend "German Day" in LaCrosse. Sometime in the Spring they plan to celebrate "Pan American Day". They will have a Christmas Party where they will sing German and Spanish songs, eat German and Spanish food, and enjoy skits.

MEET "PACHIN"

Oh, come on now!

We are very proud to have with us this year as our AFS student Grabiela La Cruz. He is from Villa Maria del Triunfo, Peru.

Grabiela was born on February 27, 1954 in Cañete, Peru. He has completed twelve years of school in Peru (one year of kindergarten, six years of primary, and five years of secondary).

He made application to the AFS in Lima, Peru May of 1970. He requested to go to the United States because he had always dreamed of living there. He came to the United States on August 13, 1971.

His most satisfying observation is the free life that Americans have as compared to people of Peru.

One of his greatest experiences was the plane trip from Peru to New York. He attended a get-together of a thousand AFS students from all over the world in New York City. A talent show was put on by all the AFS students. Also, he has enjoyed traveling with his host family, the Leonard Ficks, to various parts of Wisconsin, Minnesota, and Illinois. He especially enjoyed the Christmas decorations in the Chicago Loop.

His greatest dislike of coming to the United States is having to spend two winters in the same year.

Grabiell and his U.S. brother.

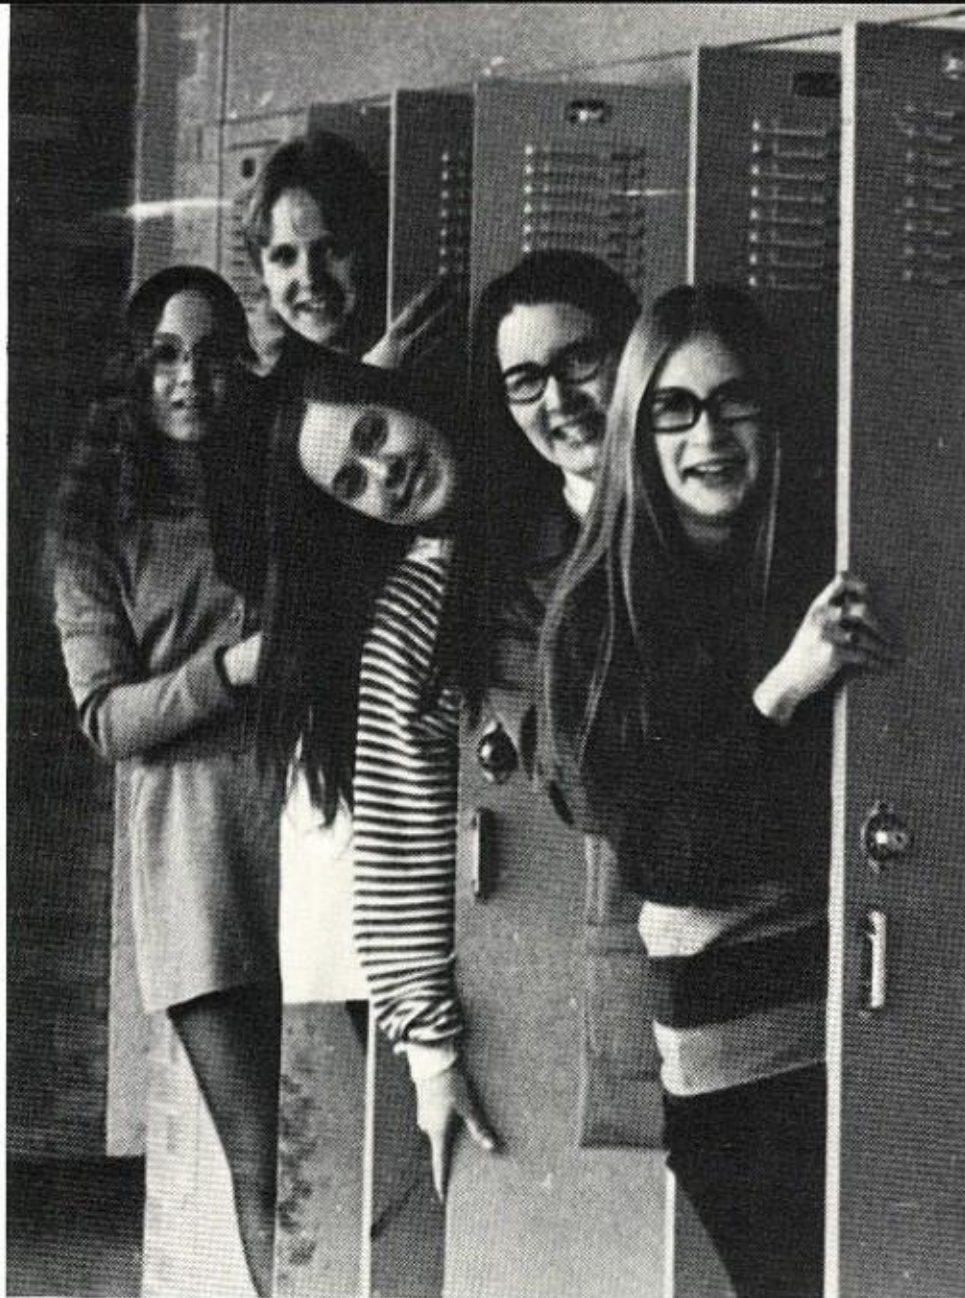

A.F.S. HOSTS GRABIELL

The American Field Service (AFS), is an organization design to exchange students from foreign countries and the United States. The purpose of this service is to acquaint the foreign student with the people, customs, and traditions of the country that they are visiting. Also, they inform the people of the community they are visiting about their ways of life.

This is the third year Royall has had an opportunity to host a foreign exchange student. We have had students from Australia, Austria, and this year from Peru.

ANNUAL STAFF BREAKS TRADITION

The annual staff has worked very diligently this year to give Royall a better quality yearbook. Many changes have been made. We are confident most of the students will agree that the changes made this a more enjoyable annual. But some — well, we can't please everyone!

The staff started out as a large group, but the people on the left are the ones that actually did the work.

We hope that twenty years from now when you dig this annual out of the attic, you will want to look through it from cover to cover, not missing a word or a picture. If this book passes that test, we will know that all our time and headaches have been worthwhile.

"No time to pose. I've got to get this done."

Barb, head of photography.

Editor goes crazy by third deadline.

"In my own little corner."

PANTHER PRESS PUBLISHERS

The newspaper staff originally was an organization, but this year it was decided that the advanced typing class would publish the Panther Press.

The class gathers information, jokes, and poetry to produce an issue of the Panther Press every two weeks. The girls of the advanced typing class write all the news articles and type the entire paper themselves.

Each issue is exchanged with other schools. Some are as far away as Kansas.

CAMERA CARRIERS

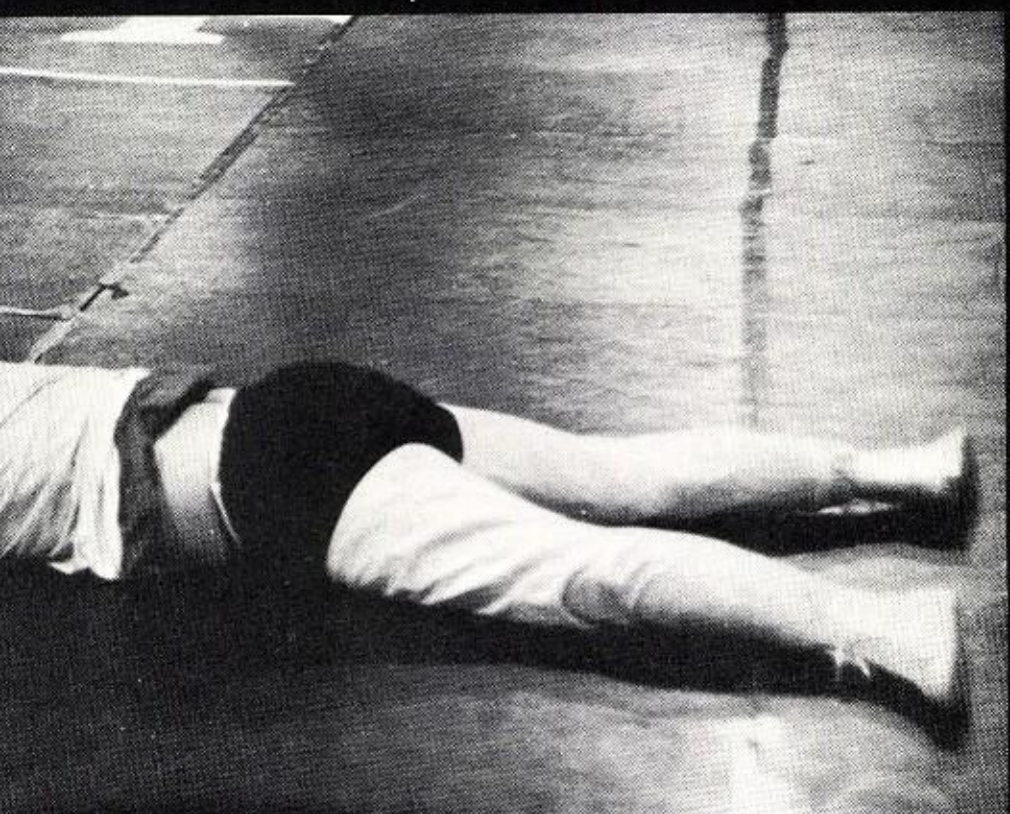

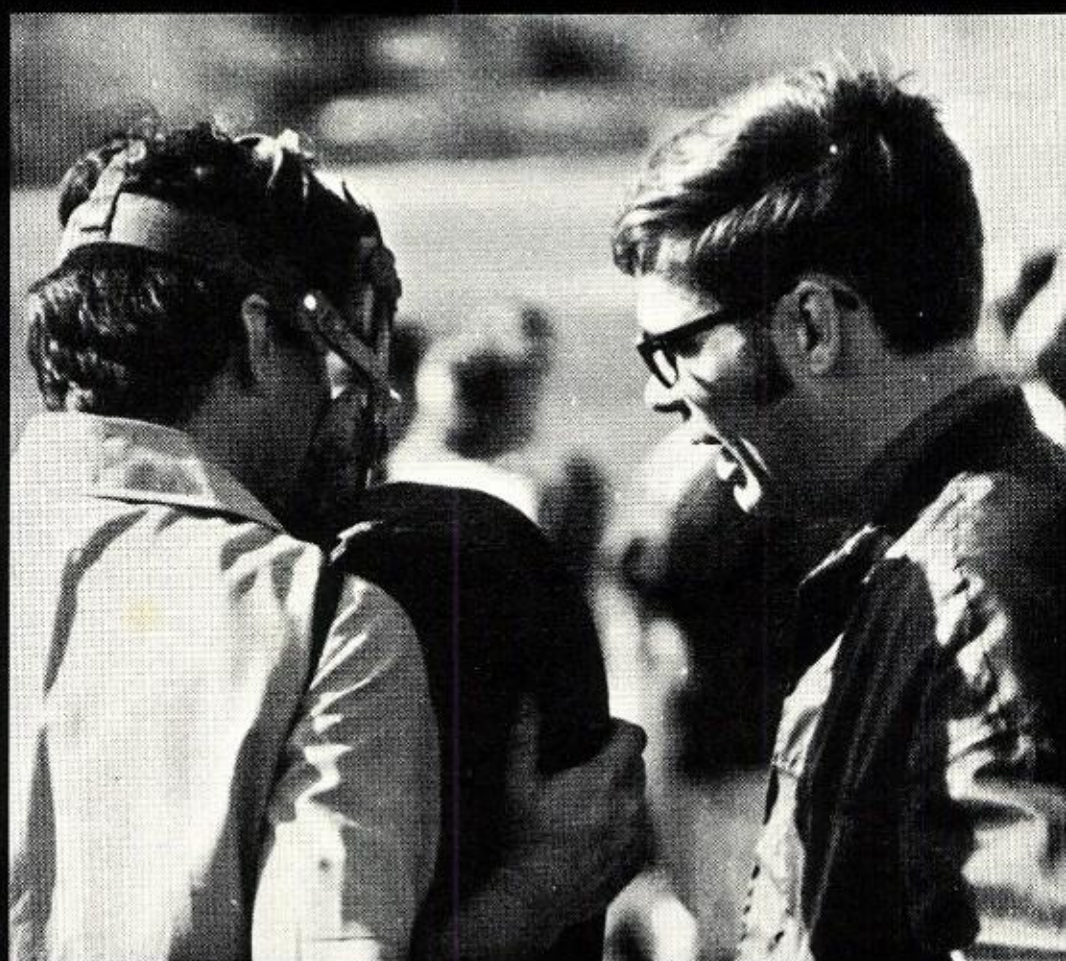

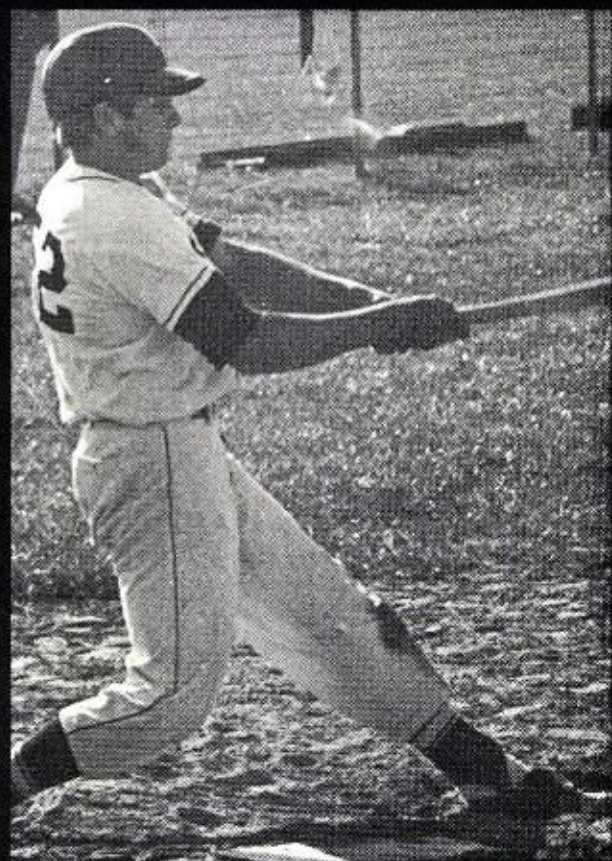

The Photo Club has worked closely with the Annual Staff this year. All the pictures in this yearbook were taken by members of this organization.

The students involved in the Photo Club learn how to produce effective pictures by experimenting with printing as well as the actual taking of pictures. This year the Photo Club put on a light show, featuring colorful slides and flashing lights, for the band and chorus pops concert.

ROYALL HOSTS LARGEST CROSS COUNTRY INVITATIONAL

On Tuesday, October 12, 1971, Royall High School hosted the largest Invitational Cross Country meet in Southwestern Wisconsin. Sixteen schools competed with over one hundred participants. Royall placed thirteenth.

Though a few of our runners made outstanding contributions to the team this season, the inexperience nearly always showed up on the scoresheets.

VARSITY TEAM BATTLES OUT A ROUGH SEASON

The Royall Panthers won three of their eleven conference games to place 7th in conference standings.

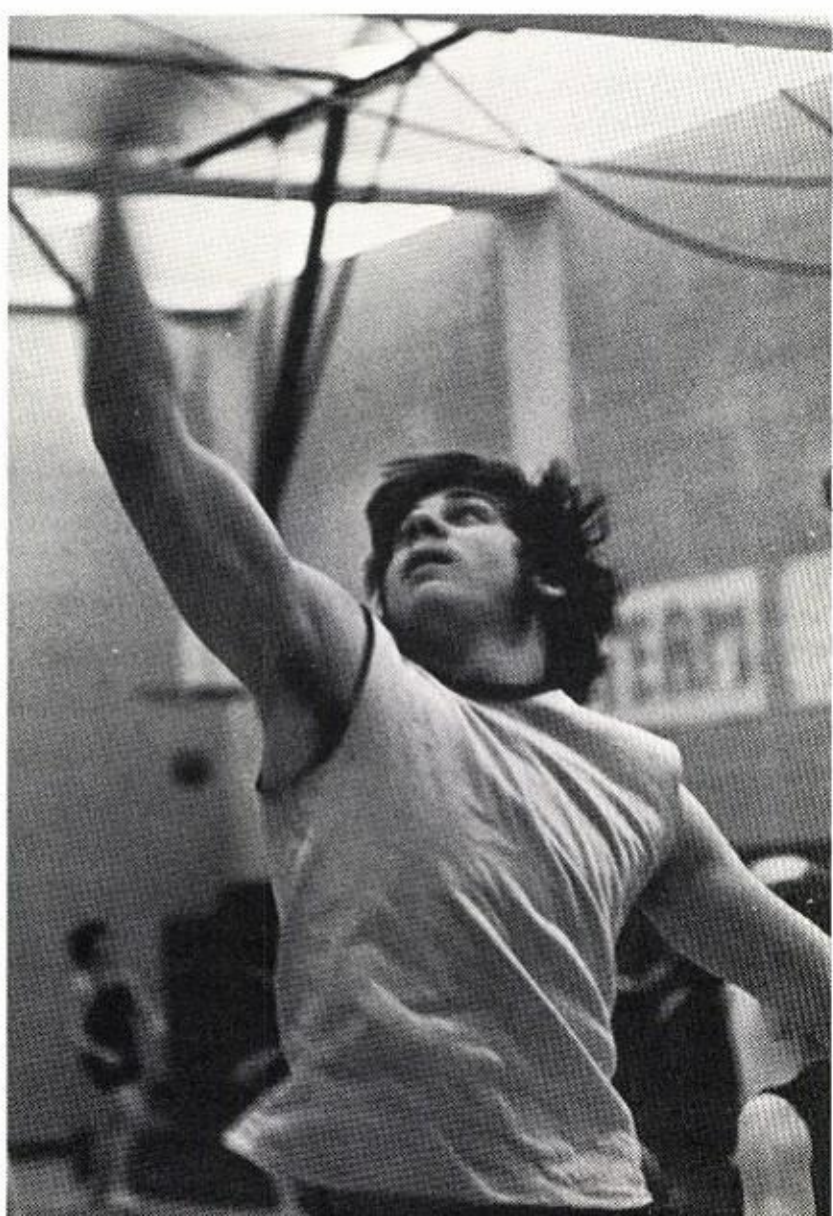

Even though the season, as a whole, was not a great success, the Panther players did provide their fans with some exciting games.

We're looking forward to next season, when all but three of the players are returning.

SUCCESS FOR TRACK

Three new school records highlighted the 1971 track season. Jim Lunde threw the shot 44'2" and the discus 128'11" to account for two new records while Mark Fleming ran the half mile in 2:01.7 to set the third new mark. Fleming also set records at the Adams Invitational and the conference meet.

Lunde and Fleming along with Jim Chambers, Larry Duncan, Kurt Meckstroth, and Dale Roscovius, were the team leaders as among them they took fifty-two 1st place finishes. For his efforts in the high hurdles, low hurdles, long jump, and high jump Larry Duncan was elected most valuable by his teammates. Duncan and Chambers were also co-captains for the year.

CLASS OF 1972

There have been times we couldn't wait to get out of high school — listening to a 47 minute sermon about syntax or driver's education, copying 15 pages of study hall rules, or riding for two hours on a crowded bus only to freeze our feet watching our football team lose a game.

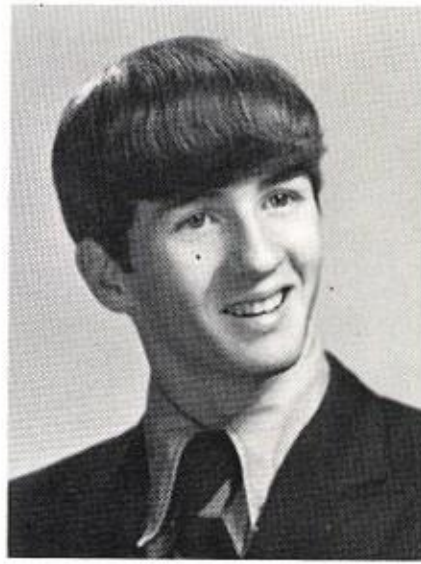

There have also been times we didn't want our high school years to ever end — nights of our prom and homecoming, raising over \$500 in one night with our Donkey Ball game, and performing and watching our musical productions.

We know that after graduation we will never be all together again. It's strange to think of how we'll all change. Of course, there will be the physical changes — beer bellies and wrinkles. But we'll all change inside, too. It's sad to think about the fact that we'll all grow farther and farther apart, until at last, all we'll have left in common are the memories of our four years together at Royall.
